

Educamp The Tron

Saturday 3 November

10 - 3

(or as long as you like)

Hamilton East School

The idea of an unconference is that people can come along and share their knowledge and thoughts in a less formal way than might be thought of at a regular conference, more like a conversation than a lecture. The idea is that we have a bit of fun, learning and sharing in a non-threatening way for learners and leaders. Learn at your own pace and get to know other teachers in our area.
